Applications that best align with the criteria and objectives of The MG Trust will be put forward to the Trustees for their consideration.

The Trustees meet twice a year, in June and November.

The MG Trust has a limited budget and the level of requests is likely to exceed the funds available. Therefore, some applications that meet the objectives may still be unsuccessful. Successful applicants will be notified within two weeks of the meeting.

The MG Trust will require a report on how funding has been spent approximately six months following the allocation of funds and again at the conclusion of the project or initiative.

Deadlines for Applications

Applications for the meeting on 1 June 2022 should be received no later than 23 May 2022.
